

 *Le Chocolat* L.L.C.

State of the art
manufacturing facility

About us

Le Chocolat is a state-of-the-art chocolate manufacturer based in Dubai and owned by renowned BPC Holding (headquartered in Lebanon). We specialize in manufacturing of supreme quality chocolates of desired shapes and tastes and our core strength lies in Contract Manufacturing. We aim to maintain our market position as a dominant provider of Privately Labelled chocolates at a competitive price to our customers.

We view ourselves as partners with our customers and acknowledge their varied tastes and expectations. We combine our expertise, experience, knowledge and love for chocolate-making to create unforgettable chocolate delights.

Our factory is ISO 22000 and HACCP certified. We accommodate yearly audits from our major clients, such as Emirates and Costa, with success.

We are also registered with FDA so our products can be exported to USA market.

Our Development

Complete solutions
for Coffee shops

Increase your sales by adding chocolate bars, with your branding, on the counter as an impulse buy, or offer chocolates with coffee to create a memorable experience. We can offer you support in product development including label design, shape and flavors selection, as well as printing of packing material through our reliable suppliers.

Experts in Private Label &
Contract Manufacturing

Our Craftmanship

Le Chocolat can provide a broad selection of bulk and pre-packed chocolates & chocolate dates. Our team of experts can help you create tempting chocolate selections which will help you gain and maintain your clients.

Our big variety of different attractive shapes include several sizes of square and rectangular pieces, which are perfect for crafting chocolate arrangements. Combining our shapes with our selected variety of fillings and flavors, wrapped with the colors of your choice, and your chocolate display will attract the attention of your clients and meet their expectation.

We took special care to create the finest combinations of chocolate & fillings to produce our Praline and Gourmet selections, including rocher & truffles. For those who love travelling and discovering new horizons, we offer aromatic flavors of oriental chocolate such as cardamom, saffron, dates and halawa.

We can also provide you options for Gifts for any occasion whether personal or corporate. A gift of Le Chocolat evokes a world of refined taste and memories, forever associated with you or your brand. Our endless ways of customizing your gifts will forever bind your company's image to a sensation of absolute well-being.

We can also create unique flavors that evoke your specific product, service and even values, helping convey consistent message. Our wide range of packaging options, along with flexibility in terms of sizes, colors and materials to satisfy your gifting requirements.
